Davos Klosters is one of the most renowned holiday destinations in the world, and boasts the most comprehensive holiday, sports and conference facilities in the mountains.

The contrast between the urban Davos and the idyllic Klosters could not be more pronounced: Here Davos, the highest town in Europe, famed for the diversity of sports, leisure and cultural facilities, its rejuvenating climate, the HC Davos, the Spengler Cup, the Kirchner Museum, the World

Economic Forum and the celebrated freestyle scene on the Jakobshorn. Here Klosters with its chic charm, where discreet luxury with understatement also draws royal guests. The location is certainly renowned worldwide as a classic holiday resort, but it is never one of those with the greatest media presences..

The American High Society from film, music, theatre and literature came and went from here as far back as the 1950s. So much so, that the village gained the title "Hollywood on the Rocks". Paul Newman, Gregory Peck, Yul Brynner, Lauren Bacall, Gene Kelly and Greta Garbo are just a few of the names that graced the region.

Enjoy family-friendly winter holidays with skiing, snowboarding or tobogganing in Davos Klosters. Family holiday friendliness is actually certified here: The destination has been awarded the quality seal "families welcome" by the Swiss tourism association. The seal distinguishes holiday destinations that specifically align their offerings with the needs and requirements of children and their guardians. For a successful family holiday from A to Z.

Davos is known as the party town of the Alps. With good reason: Only here does one find night life options similar to those of the major urban centres. Additionally, Klosters boasts small but exceptional establishments, which impress due to their unique character.

Where there is always something happening in Davos Klosters, from dusk until dawn: You enjoy the benefits of the diverse night life in the Alps.
