Events & Location Layout

A newly purpose-built restaurant, completed in 2023, offers a stylish and versatile venue ideal for hosting exclusive events during the World Economic Forum.

Located at street level, the space is fully accessible via a wide staircase or elevator, making it convenient for all guests, including wheelchair users. Upon entering, guests are welcomed into a bright and inviting bar and dining area, where natural light pours through expansive windows.

Bar Area:

The elegant bar seats 8 to 10 guests and is fully equipped to serve premium wines, traditional beers, curated cocktails, fresh fruit blends, and Champagne. Beverage service can be tailored to suit your preferences or event theme.

Restaurant Area:

The main dining space accommodates approximately 40 to 50 seated guests, with a standing capacity of 60 to 80. The interior showcases a sophisticated blend of modern and rustic décor, creating a warm, relaxed ambience. On the same level, you'll find well-appointed restrooms with full wheelchair accessibility.

Terrace & Extended Space:

An exceptional highlight is the generous terrace—measuring 5m x 20m—perfect for a marquee-style extension. Whether dressed with a traditional canvas tent or a bespoke wooden Swiss chalet-style structure, the terrace transforms beautifully into a seasonal venue. This additional space significantly expands capacity to accommodate up to 120–140 seated guests, or 180–200 standing, depending on the chosen layout and design.

Kitchen & Facilities:

Behind the scenes, a fully equipped gourmet kitchen—with walk-in refrigeration and top-tier appliances—ensures seamless catering for high-end events. Parking and private garage facilities are also available on-site for guests and service providers.

Bespoke Styling:

The interior décor and layout can be adapted to suit your event's concept, ensuring a fully personalised experience.

Davos Klosters is one of the most renowned holiday destinations in the world, and boasts the most comprehensive holiday, sports and conference facilities in the mountains.

The contrast between the urban Davos and the idyllic Klosters could not be more pronounced: Here Davos, the highest town in Europe, famed for the diversity of sports, leisure and cultural facilities, its rejuvenating climate, the HC Davos, the Spengler Cup, the Kirchner Museum, the World

Economic Forum and the celebrated freestyle scene on the Jakobshorn. Here Klosters with its chic charm, where discreet luxury with understatement also draws royal guests. The location is certainly renowned worldwide as a classic holiday resort, but it is never one of those with the greatest media presences..

The American High Society from film, music, theatre and literature came and went from here as far back as the 1950s. So much so, that the village gained the title "Hollywood on the Rocks". Paul Newman, Gregory Peck, Yul Brynner, Lauren Bacall, Gene Kelly and Greta Garbo are just a few of the names that graced the region.

Enjoy family-friendly winter holidays with skiing, snowboarding or tobogganing in Davos Klosters. Family holiday friendliness is actually certified here: The destination has been awarded the quality seal "families welcome" by the Swiss tourism association. The seal distinguishes holiday destinations that specifically align their offerings with the needs and requirements of children and their guardians. For a successful family holiday from A to Z.

Davos is known as the party town of the Alps. With good reason: Only here does one find night life options similar to those of the major urban centres. Additionally, Klosters boasts small but exceptional establishments, which impress due to their unique character.

Where there is always something happening in Davos Klosters, from dusk until dawn: You enjoy the benefits of the diverse night life in the Alps.
